

Minnesota Zoo Family Field Trip: Feb. 22, 2010

Our final family field trip of the year is to the Minnesota Zoo. This is an excellent opportunity for your children to see many of the ocean animals we have been learning about at Sunshine. Our adventure will include an aquatic talk, exploring Discovery Bay together and having a family photo taken. After, you will be able to explore the rest of the zoo and eat lunch on your own. Remember to dress appropriately if you plan to visit the outdoor exhibits.

We will meet at the Minnesota Zoo Admissions on Tuesday February 22nd promptly at 10:00.

This field trip is for Sunshine students and their families. Siblings, parents and grandparents are all invited to attend. Students must attend with an adult member of their family or another designated adult.

The cost of the field trip is \$8.25 for children 3 to 12 years old and \$13.00 for ages 13 to 64. In addition, families will be charged \$5.00 per car for parking on the day of the trip, so we encourage carpooling. Families who have a Zoo membership, admission and parking are free.

There is a map with directions to the Minnesota Zoo on the back of this note.

Families may bring a bag lunch or purchase zoo concessions. There is an indoor area for eating.

Please return the reservation slip and money by February 9th/10th

Please cut here and return the bottom of this form by Feb. 9th/10th

Child's Name _____ Class Color _____

Parent/Responsible Adult attending _____
